

Wimboldsley Primary School's Sports Funding – **Impact statements:**

Click [here](#) for the Department of Education link to the Primary School's Sports Funding page.

What is the Sports Premium?

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

Here at Wimboldsley we will receive £8,415.00 for the academic year of 2015-2016.

The sport funding can only be spent on sport and PE provision in schools.

Department for Education's Purpose of funding:

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils on after school sport clubs and holiday clubs.

How Wimboldsley Primary will be spending the Sports Funding 2015-2016 and who will benefit:

The Governors agree that the money must be used so that: **all children benefit** regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development; swimming is subsidised in order to support all families financially.

The table below shows how we intend to spend the sports funding during 2015-16.

Swimming Subsidy For Key Stage 2 Children
Swimming is part of the National Curriculum, before children leave our school it is expected that they are able to meet the objectives highlighted below. At Wimboldsley Primary School, all children go swimming in KS2 and continue through the Juniors

with extra sessions in the Summer Term for Y3 and Y4 – these 'extra' sessions in allow those who haven't managed to swim 25 m by Y4 to do so before they leave us and those who are able to swim to prepare for the local Swimming Competition we enter in the Summer term each year. These extra-sessions are subsidised by the sports funding the school receive.

"Swimming: activities and water safety: Breadth of study. DFE, PE National Curriculum.

9. Pupils should be taught to ^{SEP}a. pace themselves in floating and swimming challenges related to speed, distance and personal survival ^{SEP}b. swim unaided for a sustained period of time over a distance of at least 25m ^{SEP}c. use recognised arm and leg actions, lying on their front and back ^{SEP}d. use a range of recognised strokes and personal survival skills [for example, front crawl, back crawl, breaststroke, sculling, floating and surface diving]."

Hiring qualified sports coaches to work alongside teachers when teaching PE

The school has hired the services of Graham MacTaggart, to deliver PE lessons alongside our staff in particular Tennis. This initiative will benefit all children from the Year 1 – Year 6. Not only will the children benefit from being taught by an external member of staff, but our own staff will be developed through sharing good practice and assisting in the PE lessons.

Year 3 and 4 are currently receiving high quality Tennis coaching – Autumn Term (2015/16)

Year 5 and 6 will have high quality Tennis coaching - Spring Term (2015/16)

Year 1 and 2 will have high quality Tennis coaching - Summer Term (2015/16)

Free after School Tennis club – Whole school year

Providing places for pupils for after school sport club

Wimboldsley Primary School offers a range of after school clubs, accessed by children from Key Stages one and two. These clubs will continue to run without any of the charges that we pay coaches who deliver these clubs being passed onto the parents. We currently offer:

After school clubs:

Autumn Term: Football, Netball, Multi-skills

Increasing participation in school sport

As well using our teachers we will utilise the high school teacher who will be used to prepare children for tournaments, offering specialist training to support our pupils in many areas such as Netball, athletics, Basketball and Dance. We canvass pupils to find out what they would like to see on offer then try to put it on here in school or signpost the parents to local events that match their needs and interests. Outdoor and Adventurous activities are part-funded by the school to enable children to enjoy canoeing, High ropes, raft building, mountain biking, archery and zip lines for example; when they are on residential trips from Year 1.

Hiring a specialist PE teacher

In partnership with Middlewich High School and the other primary schools within our Middlewich Partnership cluster, the Sports Funding will pay for the services of a PE specialist. The partnership will supply a PE teacher to deliver some PE lessons alongside our staff including: invasion games, gymnastic, dance and striking & fielding games. The teacher will coach a different key stage each term. Again, not only will the children benefit from being taught by a PE teacher, but our own staff will be developed through sharing good practice and assisting in the PE lessons.

Providing opportunities for children to compete

Again, in partnership with our Schools cluster, the Sports Funding will pay for the services of a school sports coordinator. Their role will be to arrange tournaments and fixtures between the cluster primaries, whilst offering exit routes for our more gifted children, allowing them to compete against other children at a higher level. We have had some fantastic pupils representing us in the past and we feel it is important that children who are more able in sport continue to be given the chance to participate against others of a similar ability and potential.

PE Spend 2014-2015

- * Graham McTaggart (Tennis and PPA/CPD) per month approx. £600, Total for Year = £5,700
- * Swimming Teacher per term - £55 per month, Total for year = £536.25
- * Total PE Spend for the year 2014-2015 = £6,236.25

PE Spend 2015-2016 **(Allocation £8,415.00)**

- * Graham McTaggart (Tennis and PPA/CPD) per month approx. £600, Total for Year = £5,700
- * Swimming Teacher per term - £55 per month, Total for year = £536.25
- * Total PE Spend for the year 2014-2015 = £6,236.25 (£2,178.75 remaining)
- * The remaining £2,178.75 will be used to subsidise our outdoor adventure residentials to PGL (Year 5), Conway (Year 3/4), Castleton (Year 3/4) and Beeston (Year 1/2).
