3rd Mar 2023 www.wimboldsleyprimaryschool.co.uk [@WimboldsleyCPS](https://twitter.com/WimboldsleyCPS) www.williamstockton.com [@school_ws](https://twitter.com/school_ws)

We hope everyone has had a wonderful week back after the break and is looking forward to another enjoyable half term. As always we have returned ready to learn and our Year 6s have modelled this fantastically by starting their SATs booster classes this week, after school. We commend their dedication and thank the staff who support these additional sessions for our pupils. I am excited to see what Spring 2 brings and as always, we will keep you updated with our goings on via these weekly newsletters, MM and the school website and Twitter accounts. Lastly, please find live on our website the final version of our recent section 8 Ofsted inspection carried out on 25th January 2023. The report will be published on the Ofsted reports website within 8 working days from 1st March 2023. We are thrilled and extremely proud of this outcome and we hope you enjoy reading this report as much as we did.

WORLD BOOK DAY
We all celebrated another fantastic World Book Day. The children, as always enjoyed creating costumes to represent their favourite book characters. This year we were celebrating fantastic books that have been adapted to screen. Well Done Everyone!! A great day had by all!

What a great way to end the week by being able to share with you the outcome of our recent Ofsted inspection.

Mrs Jones, the staff and pupils demonstrated, as they always do, stellar examples of everything that makes Wimboldsley the 'outstanding' school that it is. Retaining an **outstanding** outcome is by no means an easy feat and we are extremely proud of this achievement. We thank you, our families, for your continued support and we hope that you enjoy taking the time to read this inspection report that we are so very proud of.
