The shorter school week has really made these last few days fly by but staff and pupils have still managed to cram in a wealth of learning over these last few days. It's been lovely to see the sun shining a little more and everyone enjoying and making the most of the outdoors, whether that's during wild and wilderness sessions, PE and other subjects or just eating their lunch outside and spending time with each other. Let's hope there's a lot more to come. Once again, we hope you make the most of this lovely, longer bank holiday weekend, whatever your plans, and we look forward to welcoming everyone back on Tuesday 9th May.

### Coronation lunch and celebrations

The children have really enjoyed celebrating the upcoming royal coronation today by wearing wed, white and blue or something very fancy indeed! Pupils have had the opportunity to take part in some fun activities and learning about this historical ceremony as well as a special lunch prepared by Nicky. What a great start to the weekend!

### Coronation Weekend competition

This weekend we challenge you to share your coronation selfie's! Tweet photos of your celebrations using **#FitForTheKingSelfie** & remember to tag us in. Looking forward to some fab selfie's!

**SATs Club completed!** A massive well done to these super individuals who have stayed after school every week to practise skills and brush up on all sorts of areas of maths and grammar. We are SATs ready! Let's smash it!

### PTA fundraisers

Next Friday will be another small school fundraiser and this time the PTA will be selling ice lollies at the end of the school day. Hopefully the sun will be shining and you will be tempted to treat yourselves. Even if the sun isn't shining - who can say no to Friday treats?!

### Competition winners

Congratulations to the Darlington family aka 'The Mad House' who were our triumphant winners of the Wimboldsley Easter Quiz and received tickets and a voucher for a family day out at Gullivers World.

## CELEBRATION ASSEMBLY

Congratulations to all the rosette winners this week.

### To all our wonderful Year 6s:

You have all worked incredibly hard during your time at school, particularly these past nine months and all of your dedication and commitment to your learning and revision has been commendable. You are an inspiration to our younger year groups who will eventually follow in your footsteps and we thank you for being such fantastic role models. We wish you lots of luck for your SAT's next week - you are all truly amazing and this is your time to shine! Have a relaxing and enjoyable weekend filled with laughter and rest and we look forward to seeing you on Tuesday morning.

**Remember... Don't get stressed, just do your best - you're blessed with skills that SAT's can't test.**
