A big thank you to all our pupils, staff, PTA and families for another great week in school. The 5-day-week wasn't such a shock after all with the school continuing to be a hive of activity and the week flashing past us in the blink of an eye. Keep your eyes peeled for lots more updates as we round off this half term next week, before entering the final part of the summer term after the upcoming break. Let's see what more fantastic learning opportunities and experiences next week will bring!

**TERRIFIC TRIPS!**

Year 4 and Year 2 stepped back in time this week, with two fabulous history-based trips. On Tuesday, Year 2 visited Nantwich to learn all about its Great Fire, as well as exploring Nantwich Museum and learning about its artefacts. They were followed on Thursday by Year 4, who visited Ford Green Hall in Stoke-on-Trent, for a Tudor filled day including dressing like the rich and poor, handling artefacts and making marzipan fruit.

**HEALTHY SNACKS**

We know it isn't always easy to get your little ones to eat and try new foods or snacks they are not used to but please support us as a healthy school by ensuring your children come to school provided with healthy snack/s or healthier alternatives for break time. We are proud to promote making healthy choices and your vital role will be greatly appreciated. For many, toast is a preferred option and is still something we offer for a small fee.

**Y3 Learning assembly**

Well done to all of our wonderful Year 3s who gave a great showcase of all of their recent learning to families and the whole school. They spoke confidently, articulately and were not phased by such a large audience this week. Well done to you all!

**School disco** - Letters have gone out regarding our school disco next Tuesday. If you require a hard copy please let Mrs Kempson in the office know and she can provide you with one. All reply slips and monies must be returned no later than Monday 22nd May so that we can finalise arrangements.
