WIMBOLDSLEY

WEEKLY

Ofsted
Outstanding
Provider

15th September 2023

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

A warm welcome back everyone after what has now already been a week and a half! If you thought the summer flew by quickly, just wait until you see how quickly the first half term is going to do so. Staff are already organising trips and events for the coming weeks and months, as well as fundraisers for our fabulous school; all whilst continuing to provide a rich and stimulating curriculum for all our pupils. We hope you are as excited about this academic year as we are and we look forward to keeping you updated each day via our school and clas X feed (the new name for Twitter, which is definitely going to take some getting used to!) as well as the usual communication playforms such as these newsletters, Marvellous Me and our website.

Concordia Multi Academy Trust

As from 1st September 2023 we officially became part of Concordia Multi Academy Trust and we are very excited about the road ahead and all of the amazing opportunities that being a part of a larger family can bring us - as well of all the 'Wimboldsley wonderfulness' and ways that make us so 'outstanding' that we too can share wider with other professionals alike.

Kitchen

Thank you again for bearing with us whilst we resolve kitchen issues here in school. As many of you know or are aware, Wimboldsley is a beautiful school, encapsulating the old and the new. Our kitchen is set and originates in the older part of the building and naturally things need maintaining and sometimes repairing over time. The trust has been of great assistance with prioritising works, funds and support - all required to working towards ensuring things can run smoothly and as they should. We will keep you updated and really appreciate your understanding.

Office

We all said our farewells and best wishes to Mrs Kempson at the end of last academic year and as much as she is missed, we are of course looking forward to welcoming a new administrative assistant into the office who will hopefully become another warm and familiar face to you all. Whilst we await a suitable candidate to start with us, the office is currently being 'manned' by myself and other staff members. Please continue to contact us as usual via our telephone number and admin email address below should you need.

SENCo

Mrs Whiston has now officially and efficiently taken on the role of school SENCo and has already been making contact with families, as well as arranging and setting up drop-in sessions for you to schedule and attend as required. We are certain that her invaluable knowledge and experience will be a great asset to school, families and pupils.

Jeans for genes

Next Monday 18th September we will be holding our annual 'jeans for genes' fundraising event. Pupils and staff are asked to come into school in their usual polo shirts / sweatshirts but can wear jeans for the day. We ask that a £1 donation is brought into school on the day. More about this charity and event can be found using this link: <https://www.jeansforgenes.org/schools>

Attendance

It is imperative that I remind all families (particularly at the start of the new academic year but also continually) that holidays during term time will not be authorised unless there are exceptional circumstances as defined by the Dept of Education. As a professional but also as a parent, I can understand the desire for holidays to be taken inside of term time but it is my responsibility to advise you accordingly.

Punctuality is also of great importance and something that we as a school and yourselves as families instil in your children. We are retaining the 25 minute drop off period to assist you in ensuring that children have arrived at the school gate each morning by 8.55am (if you wish to park and walk your child to the gate, please ensure the lay by is kept clear for people who wish to 'drop and go'). This means that all children will be present in their classrooms by 9am, at which time, registers close and learning promptly begins. Thank you for your support with this.

Tesco Stronger Starts
