@WimboldsleyCPS

I hope this has been an enjoyable week for everyone and that you are all looking forward to the weekend and everything that the new week ahead has to bring. Things in school continue to be underway and it is wonderful seeing the every day goings-on as well as the bigger events, such as our reception pupils being a lot more settled with their day-to-day routines and even small-step achievements such as zipping up their own jackets now that the weather is becoming a little cooler. Well done! The rest of our pupils continue to shine, having adapted well to their new settings, staff and timetables right across the years. Superstars as always!

National TA day and Teacher day celebrations

A huge thank you to our wonderful support staff and teachers who kindly recognised each others hard work, dedication and commitment to Wimboldsley over these last few weeks by celebrating national Teaching assistant day (29th September) and World Teacher day (5th October). It really is the little things that go a long way and the staff making the time and effort to thank each other with little treats

and gestures, means a lot to everyone. We truly are blessed with the best!

Wimboldsley Sports News

Reporters: Jack B and Aaron B

On Thursday, we were invited to play a football match against Middlewich Primary School.

It was our first competitive match since before Covid, so we were very excited! The match was split into thirds of 17 minutes each. Here is how it went.

In the first third we played really well and Blake scored two fantastic goals, putting us in the lead. Aaron made a dramatic slide tackle and we had most of the ball. This third ended up with us in a 2-0 lead.

The second third started with Blayke completing his hat trick making it 3-0 to Wimboldsley. Unfortunately, we gave away a penalty, which they scored, and

then very quickly scored another making it 3-2

The final third was most exciting and had the most goals.

Middlewich had a great run and scored three goals very quickly. Putting the score at 5-3 to them. But we didn't give up, and scored two more goals, from Isobel and another from Blake.

We had a fantastic game and were very proud of the final score...5-5.

Weaver Hall - Last week, our children in Year 3 and 4 visited Weaver Hall museum and workhouse in Northwich. Here, they went back in time to discover what life was like during the Stone and Bronze Ages. They handled artefacts and learned about how to survive as a Prehistoric hunter gatherer and a Bronze Age farmer.

Football taster sessions Thursday 12th Oct

We will be joined by Tom Bainbridge (TB coaching) next week, an experienced teacher and football coach who offers high quality 1:1 and small group coaching and training sessions. All pupils will get the opportunity to experience these taster sessions on this day and information from Tom will be sent out to families following this session.

SCHOLASTIC BOOK FAIR is arriving and will be available to purchase books on Monday 6th - 8th November after school. Purchases can be made by card using a unique code. All money raised supports buying new books for school

Kitchen works

I will be writing to you next week with more detailed information regarding our kitchen works as unfortunately it is not possible for me to reply individually to everyone who has contacted me regarding updates and understandably, asking specific questions. Please be assured that although processes like this take time, things are underway and we here in school look forward to having everything up and running as usual, as soon as possible just as much as you do. I am conscious about keeping you regularly updated and informed but my intention is for this to happen when I have further information to provide you with. We as a school thank you for your patience and understanding with this matter.

Cadbury World

On Tuesday 10th October, Years 5 and 6 are going on their trip to Cadbury World in Birmingham. They have worked very hard to raise the funds and thank you all so much for your kind and generous support. The coach will be leaving school promptly at 8:45am - please be aware of this at drop-off as the coach will be parked along School Lane that morning from 8:30am. Year 5 and 6 children can come into school via the office entrance from 8:15am on that morning if this is helpful with taking older siblings to high school. We plan to be back to school between 4:30pm and 5pm. *We will keep you updated via Twitter and Marvellous Me.*
