

# THE WIMBOLDSLEY WEEKLY

24th November 2023

@WimboldsleyCPS

**H**appy Friday everyone and a big well done on successful completion of another engaging, interesting and enjoyable week of learning here in school. Myself and the staff are looking forward to welcoming many of you parents and carers into school this coming Monday for our termly parent consultations. 5 minutes does not seem very long but this is a good opportunity for teachers to give you a little bit of time to inform you of how they have settled into school since the start of the new academic year. Remember, our doors are always open (not literally) and should you require additional time to discuss specific points, please do not worry, these can be arranged for you at other convenient times as required. Mrs Whiston, our school SENDCo continues to plan drop-in sessions (which have been a great success) and teachers, although non-stop in their day to day duties and timetables, will continue to make time, where needed, for you as individuals.

## Parent governor position

We are looking for an additional Parent Governor to join our Local Academy Board.  
**Why become a Governor?**

Being a school governor is a commitment and a responsibility but offers you the chance to see first-hand the impact you can make in improving education for children in your community. Share your skills, experience, and insight to make schools successful for everyone. Look out for a notice next week regarding the application process and also for the deadline to submit your nomination.

## Year 3 class assembly

Well done to our Year 3 pupils who shone like the shining stars that they are in their learning assembly yesterday. We all really appreciate the time you take to collate such great examples of your work to put together an assembly that we can all enjoy and become a part of.

## NEXT WEEK'S MENU

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

## Attendance and punctuality

You can tell the winter months are upon us as over the last week in particular we have been struck by numerous bouts of sickness here in school - both pupils and staff. My eldest and many children of our staff have also fallen susceptible to the bugs that seem to make themselves very present this time of year. We ask that you continue to inform us of any absence so that we can keep our records accurate and up to date and so that we do not have to then chase you up during your already busy mornings. **You can contact the school using our contact number: 01606 832321, school spider or via our admin email address: admin@wimboldsley.cheshire.sch.uk to alert us to any absences and reasons.** Thank you for your ongoing support. Punctuality is also vitally important here in school and pupils being present prior to registration closing is an expectation and paramount. Minutes of missed learning add up quickly and even in isolation, it can often take longer for children to settle into their learning when they join post-session-start, than if they had been here for registration and the lesson beginning. We do understand however that sometimes things crop up and being late on the odd occasion simply cannot be helped. We appreciate you keeping us informed as required.

## Parents evening - Monday 27th November

We look forward to welcoming you into school for your 5 minute appointments to talk about your child/ren and how they have settled into school life this academic year, so far.

**Applying for a Primary School place for September 2024?**  
**The closing date is Monday 15th January 2024.**

## PTA DIARY DATES

- Friday 8th December**  
**Xmas jumper again**  
 (we love a reason to wear our festive jumpers!)  
 Donations of cakes for the Christmas Fayre.

## Spotlight on Writing

It has been lovely to see all the children's engagement with their new 'Pathways to Write' texts, children are enthused and engaged to

write, which is lovely to see. From seeing our little children in Acorns, applying their newly formed writing skills into their vet's role play all the way to Oak class who were busy applying their skills to describe a setting. I loved seeing them use their SPaG skills to their work showing a brilliant understanding of using hyphenated words.
