Friday 17th November 2023

CLASS NEWS:

Well done Acorns, another super week of learning. Thank you to lots of you for reading with your children at home, research shows the huge positive impact this has and we are very grateful for the support.

We are beginning to think about our EYFS nativity, keep your eye open for script lines making the way home in bookbags next week - if you could help the children to learn to say them clearly and confidently, we'd be ever so grateful.

A further reminder about Zip Up Festival 2023, in order to attend the children must be able to zip up their coats themselves... the popcorn, glow sticks, candyfloss & Mrs Whiston's special playlist are ready!

Dates for your diary:

27th November 2023 - 5minute parent evening appointments.

30th November 2023 - EYFS Zip Up Festival 2023 (entry criteria: independent zip zipper upper!)

Early Date: **14th December 2023**
2:15pm EYFS Nativity performance.

Our PE Day is: Monday Please ensure your child has a full PE kit in school.

Artist of the week: Katie

Useful Information: Hot Dinner Menu

Our kitchen menu works on a 3 weeks rota.
Next week is 'Week 2':

WEEK 2	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
CHOICE 1					
CHOICE 2

Little Wandle Phonics

This week in phonics the children have concluded their initial sounds work, we are now able to match sounds we hear at the start of words to their grapheme. We have also worked on reading words with 's' at the end (plurals and verb) e.g cats, naps, hits.

At the end of every phonics session we know work to write a phonetically plausible spelling this weeks words were: can, back, run, had and sun.

OUR LEARNING...

This week we have taken part in lots of continuous provision tasks linked to Diwali, the Hindu festival of light. We listened to the story of Rama and Sita and have all made a diya pot to remember the importance of light over darkness. We have been working within 5 to find more and less in our maths lessons. In Pathways to Write session, we have been independently sounding out c-v-c words and working hard to record these. We enjoyed programming the BeeBot with our c-v-c passwords to find words.

Next week, in maths we will introduce the number 6 to our repertoire and also look at length and height as ways to measure. In English, we will become initial sound detectives as we hunt for things for the anteater to eat!
