@WimboldsleyCPS

It has been another eventful week here at Wimboldsley, and the brisk chill in the air during this cold snap hasn't gone unnoticed! I had the pleasure of meeting with numerous families during our Thursday Stay and Write session, and it was lovely to share the children's successes with you. We've got many similar sessions lined up for the rest of the term, and you are all very welcome to join us. Your presence is always appreciated.

## RESIDENTIALS

Below are the dates for this year's residential visits. In the past, we've provided each year group with the chance to participate in these enriching trips. Regrettably, due to current budget constraints, we find ourselves unable to offer this opportunity this year. The school has generously subsidised the costs of these visits in the past, but given the financial constraints, we may only be able to continue to do this by reducing the number of trips. Additionally, there is still a significant outstanding amount from last year's trips, which further influences our decision. I sincerely apologise for any disappointment this news may bring, and I appreciate your understanding of the reasons behind this difficult decision.

**Year 2**  
Tue 5th - Wed 6th March  
**Burwardsley**

**Year 4**  
Wed 13th - Fri 15th March - **Boreatton**

**Year 6**  
Mon 24th - Weds 26th June - **York**

## DROP IN AND WRITE

On Thursday we welcomed parents and carers into school for a fabulous 'Drop in and Write' session. The classrooms were alive with lots of different activities and it was wonderful to welcome so many of you in to share in the children's learning.

## ROMAN TRIP

Year 3 stepped back in time this week when they travelled to Chester for a fabulous Roman day. They marched through the streets with Roman soldier before stopping in the amphitheatre for some ancient action. They also took part in an informative workshop.
