

THE WIMBOLDSLEY WEEKLY

26th January 2024

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

Our pupils have been hard at work again this week and I've had the pleasure of seeing many of them proudly bringing their excellent work to the office. It's lovely to witness their achievements and the genuine enthusiasm they bring to their learning. I've also been delighted to see the frequent exchanges of well-done awards for gold cards and badges, a testament to the dedication and positive behaviour demonstrated by our pupils. A big thank you to all the parents who joined us for Number Day activities today. Your presence and participation make a significant impact on our school community.

Number Day 2024

We have gone maths crazy in school today as we celebrated and supported the NSPCC Number Day. Everyone came dressed to impress and took part in number-themed activities throughout the day. We also welcomed parents and carers in to join in the fun. Thank you for all your donations to this worthy cause.

Reach for the Stars

Year 5 and 6 had a fabulous day yesterday when they visited Jodrell Bank to support their science learning about Space. They enjoyed exploring the site and taking part in a Planetarium workshop

Nut-free reminder

Please can we remind everyone that we are a nut-free school and ask you to ensure all lunch boxes contain nut-free items. Many thanks.

Bags2School

Our wonderful PTA are organising a 'Bags2School' fundraiser for after half term. More details and bags will be sent home later in February, so if you're having a spring clean, put any items aside (clothes, shoes, handbags, bedding, towels etc - full list to follow) to fill your bags.

Early Learners

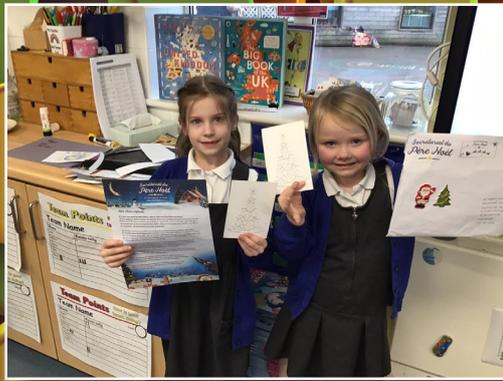

Early Learners have notified us that they now have spaces in their after school club and on the bus. Please contact them if you are interested.
