It has been a fresh and frosty week this week and pupils have been enjoying the outdoors despite this cold snap, whilst wrapped up warm and toasty. Although the weather is set to ease as we move into next week, we still encourage being prepared for the colder weather so that outdoor play times and learning remains an enjoyable experience. Take care whilst out and about and have a lovely, well rested weekend, ready for everything that next week will bring.

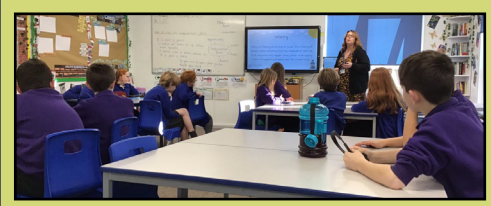

On Friday 3rd February we will be raising money for the NSPCC and celebrating all things number where we will be dedicating parts of our day to lots of fun filled maths activities! We are inviting children to come to school wearing something number related, in exchange for a £1 donation per family. **Be as imaginative as you can!**

Drop-in and write

Friday 10th Feb 2.30pm - 3pm
We are pleased to be able to invite you into school again this half term for a drop-in and write session. Here, you will be able to visit your child/ren in class and partake in a variety of writing tasks with them. There will be the opportunity to take away ideas for supporting writing at home and staff will be around should you have any questions. We look forward to welcoming those of you who can make it.

Young carers

Our Year 6 pupils have begun weekly sessions with Cheshire Young Carers who take time to come into school and lead discussions, conversations and lessons around relevant topics such as friendships, anxieties, how to cope with stress and managing transitions to high school. The sessions have been well received by our Year 6s so far who have taken a mature and caring interest.

Delamere residential

Our Year 1 pupils are getting excited for their upcoming residential next week on Thursday 26th January. Please don't hesitate to give us a call or ask staff at the gate if you have any last minute queries in advance of this visit. No question is a silly question and the staff are looking forward to creating many memories with your little ones during this wonderful experience.
