

THE WILLIAM STOCKTON AND WIMBOLDSLEY WEEKLY

3rd Feb 2023 www.wimboldsleyprimaryschool.co.uk [@WimboldsleyCPS](https://twitter.com/WimboldsleyCPS) www.williamstockton.com [@school_ws](https://twitter.com/school_ws)

Another week has flown by here in school and the pupils have continued to demonstrate their resilience and determination in all that they do across all subject areas. We have more upcoming residentials and visits that we strongly believe enhance learning experiences and provide opportunities for the children to make wonderful memories with their peers. We will continue to keep you updated with any visits planned with reasonable notice. I hope you all have a lovely weekend.

NSPCC number day took place in school today and what a fabulous fundraising event this has been. Not only did children get creative with their outfits and enjoy a variety of number-based activities throughout the day but we also raised £valuable funds for the NSPCC, an invaluable charity that is dedicated to protecting children across the UK.

Our Year 2 residential to Burwardsley is taking place next week on 7th and 8th February and the children are very much looking forward to this. Please ask if you have any further questions regarding the visit by contacting the school office or speaking with staff at the end of the day.

Year 1 learning assembly - Well done to all our Year 1 superstars on their fabulous learning assembly this week. You shared confidently and clearly a wealth of knowledge and skills acquired over the last few weeks and we are very proud of your achievements.

Mrs Whiston enjoyed a wonderful day out of school this week where she participated in a face-to-face day with other like-minded Early Years professionals who are also working towards their NPQEYL (National Professional Qualification in Early Years Leadership). Lots of our staff volunteer and take part in a wide range of professional development here at Wimboldsley to continually enhance and develop their knowledge, skills and practices.

Reception learning assembly - Thursday 9th Feb @ 2.30pm. We look forward to welcoming you.
