

# THE WILLIAM STOCKTON AND WIMBOLDSLEY WEEKLY

17th Mar 2023 [www.wimboldsleyprimaryschool.co.uk](http://www.wimboldsleyprimaryschool.co.uk)  @WimboldsleyCPS [www.williamstockton.com](http://www.williamstockton.com)  @school\_ws

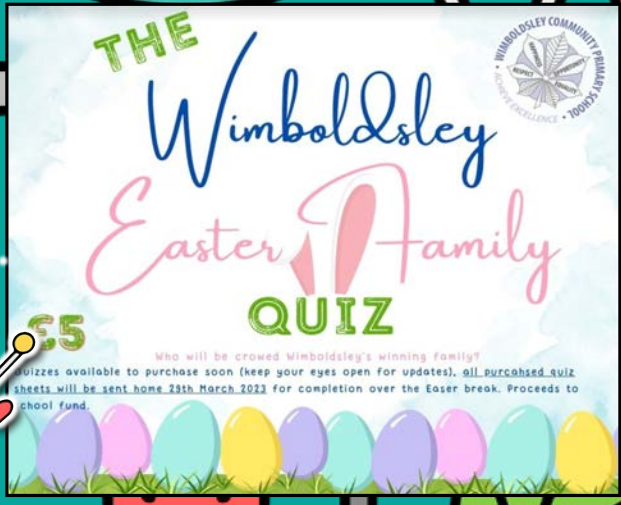

School has been a hive of activity this week with the addition of British science week and comic relief into what was already a jam-packed week of learning. The wet and windy weather seems to be continuing for now and the staff and pupils are trying extremely hard to adapt outdoor play times and learning sessions to ensure that the mud (as fun as it can be sometimes) does not cause too many problems for classrooms and families. We will continue to be mindful of this when the children are spending time outside. Fingers crossed that the spring weather will spring into place sooner rather than later!

**British Science Week**  
We have had a great science week with lots of amazing experiments happening across the school.

**Y4 RE visitor:**  
Thank you to Mrs Adeel for taking the time to come into school and share her knowledge of life as a Muslim. We listened to a passage from the Qur'an read in Arabic and tasted dates.

**THE Wimboldsley Easter Family QUIZ**

Who will be crowned Wimboldsley's winning family?

Quizzes available to purchase soon (keep your eyes open for updates). All purchased quiz sheets will be sent home 23rd March 2023 for completion over the Easter break. Proceeds to school fund.

**Comic relief**  
What a great day raising awareness, celebrating and fundraising for comic relief today. We loved seeing all of your crazy air creations and we thank you for all of your kind donations that contribute towards supporting amazing projects and organisations who are making a difference for people across the UK and around the world.

**Willow class assembly**  
Thursday 30th March @ 2.30pm. We look forward to seeing you then.

**OAK CLASS ASSEMBLY**  
Thank you Oak class for a wonderful assembly this week. You all presented your learning with confidence and it was fantastic to see just how much you've learnt.
