

THE WILLIAM STOCKTON AND WIMBOLDSLEY WEEKLY

26th May 2023 www.wimboldsleyprimaryschool.co.uk @WimboldsleyCPS www.williamstockton.com @school_ws

Another Friday and another end to a wonderful half term! I am always in disbelief when we get to this point in the year as it only feels like yesterday that it was the start of the new academic year. But here we are, SATs completed, the weather getting better and summer event organisations fully underway. I love this time of year in school and we are sure that all our pupils and families will do too, especially once we share with you the remaining dates for your diary for next half term. It's going to be another busy one to look forward to! Have a lovely half term break and we look forward to welcoming pupils back to school on **TUESDAY 6th JUNE.**

Hopefully this lovely weather is set to continue and does so long into the next half term. Sun safety is very important and staff will continue to take sensible approaches to being outdoors with pupils as and when the temperatures rise. Please continue to send your child to school with caps or brimmed hats, their water bottle (which they can top-up throughout the day here in school), as well as sun cream applied before the start of the school day, when needed.

A polite reminder from our PTA regarding school events:

Please can you adhere to cut off dates for PTA events. We are thrilled that so many pupils attended our spring disco this week (it was lots of fun!) but since the original cut off date last Friday afternoon, we then received another 42 permission slips (which is 1/3 of the school!). We have to ensure that these events are suitably manned by staff and volunteers and that thorough risk assessments are carried out based on the number of attendees, which need to be completed in advance of each event. Thank you for your understanding regarding this matter.

The **school disco** was a great hit this week and a fab way to round off the end of the half term. We hope many of our pupils can join us for our PTA movie night on Wednesday 7th June.

Learning assembly

Well done to our Year 2s for their assembly this week. They confidently shared with us all about this terms learning.
