Thank you to everyone for another wonderful week here in school. It's certainly been a busy one with sports day, a French cafe experience for Oak class, events being planned for the next few weeks - as well as the usual day to day learning experiences and opportunities across the years groups and subjects. Who says things slow down in the run up to summer?! Have a lovely weekend as we look forward to another jam-packed week ahead.

Oak French cafe

Our school hall became a French Cafe on Wednesday when Oak class invited parents in to practice conversing and tasting delicious French treats. Thank you to everyone who came and to Madam Clarke and Oak Class for organising.

*In preparation for our Summer Fair, we are having **TWO non uniform days**, where we kindly ask for donations*

30th June
Bring a donation in your team colour - red, yellow, blue or green, to make up raffle hampers. It can be anything that takes your fancy! Be creative.

14th July
Bring a bottle - wine, water, coke, vimto - anything you want. These will go to the bottle tombola

LOLLY SALES
Now we have our wonderful freezer, keep your eyes peeled for lolly sales when the weather is hot! You will be notified of these by Marvellous Me

SPORTS DAY was another huge success this year and thank you to everyone for playing their part. Pupils - as always - you were fabulous. The list could go on but how wonderful it was to see such fabulous sportsmanship, kindness, consideration for others - and of course a little bit of competitiveness thrown in for good measure. You were all an absolute credit to yourselves and the school. We are so proud. A huge thank you to our families also, for your fabulous cheering, chanting and encouragement. It created such a lovely environment and made it all the more enjoyable. Last but by no means least, thank you to Mrs Gowing and all of the staff for putting together another seamless event that was enjoyable for everyone involved. Although they make it look so easy, a lot of hard work, planning and preparation goes into these events and they wouldn't be possible without such a great team! Let's get planning next years now!
