

# THE WILLIAM STOCKTON AND WIMBOLDSLEY WEEKLY

14th July 2023 [www.wimboldsleyprimaryschool.co.uk](http://www.wimboldsleyprimaryschool.co.uk) @WimboldsleyCPS [www.williamstockton.com](http://www.williamstockton.com) @school\_ws

**C**an you believe we are wrapping up the second to last week of the academic year already? It always flies by with all the additional events and visits that our pupils and staff organise and partake in over these last few weeks, in addition to finalising curriculum knowledge and content. Wimboldsley certainly hasn't been winding down and it doesn't look set to do so as we move on into the final week! It will however, be a busy week ahead filled with additional fun activities and tasks - including a transition morning. We hope you have a lovely weekend and that you're raring to go for this final week of school!

### Chester Zoo

Reception and Year 1 had an amazing time on Wednesday when they spent the day at Chester Zoo. They investigated all the different animals that live there and showed their super knowledge. They all behaved wonderfully and were an absolute credit.

Well done to all our Year 6 pupils on receiving their SATs results this week and for being absolute superstars all year, in the run up to, during and after these standard assessment tests. You are all fantastic and your school reports reflect in far more detail, all of the important qualities and talents that you possess as individuals. Be proud of who you are and how far you have come and don't forget to celebrate the successes and achievements that SATs don't measure!

### Reception graduation assembly

Well done to our littlest shining stars who celebrated the academic year and the end of their Reception journey with a special graduation assembly this week. We are so proud of them and how well they have all settled into school life and been a credit to themselves and our school. You are certainly Year 1 ready!

### Friday 21st July

Don't forget, we finish school from 1pm next Friday. Children will have lunch in school as usual and our staggered collection for infants and juniors will be in place to ease traffic and congestion both on the playground and on the roads.

Reception and infants - 1pm  
Juniors - 1.10pm

## CELEBRATION ASSEMBLY

Congratulations to all the rosette winners this week.
