

Difficult safeguarding issues that Ofsted ask us to bring to your attention

Ofsted have comprehensive experience of safeguarding issues, in schools all over the country.

Sometimes there are issues that it is difficult to accept will happen to children. All too often we hear horror stories of schools and agencies failing individual children; and we need to be aware, in order to stop this happening.

Please check out these 'easy to read' articles about safeguarding issues that are currently highlighted by Ofsted. They affect all areas of our country and all kinds of communities. They can also be used to see sources of help.
