@WimboldsleyCPS

**W**e have successfully made it to the end of the penultimate week here in school before the first Autumn half term. A big well done as always to all our pupils for keeping up the passion and determination with their learning over these last few weeks. The first half term back after summer break can often feel like a challenge but here at Wimboldsley, it's like we had never been away! We are already looking forward to Autumn 2 and all of the exciting learning opportunities it will bring including the build up to the festive time of year, which many of us enjoy.

## END OF TERM DISCO

**Friday 20th October 2023**

A letter will have come home today regarding our end of term disco next Friday. The event will be held straight after school and **children may come into school in non-uniform on that day.**

The fun will end at 4.10pm For Reception, Year 1 and Year 2.... and 4.15pm for Years 3, 4, 5, 6.

**The event will cost £3.00 and includes a drink, snack and sweet treat.**

Please see the letter for more details. If your child would like to attend, please fill out the slip on the letter and return by **WEDNESDAY 18TH OCTOBER.**

## Drop-off

Thank you all for adhering to the school drop-off system. It really does make things safer and smoother for everyone involved when this happens. This morning system relies upon the layby being kept clear unless your child is getting out independently to walk themselves to the school gate. Should you wish to walk your child/ren to the school gate yourself, please ensure you park elsewhere to keep the flow of traffic for others, working well.

## Kitchen works

A letter went out to you this week detailing the ongoing kitchen works but hopefully you will be pleased to hear that from **Monday 16th October**, our offer of hot meals can resume. Thank you for your patience with this matter.

## Stop and drop its Autumn

We had a wonderful turnout for our drop in session yesterday, where children took part in Autumn themed activities. Many thanks to all who attended.

## Cadbury world trip

On Tuesday, Year 5 and 6 had a wonderful trip to Cadbury World as part of their Autumn learning about the Mayans. They learnt all about the process of making chocolate, enjoyed a full sensory experience in the 4D cinema and finished with an in-depth

workshop all about the Mayan civilization before picking up a few Cadbury goodies before the trip home.

## TB Coaching taster day

Thanks to Tom Bainbridge from TB coaching

for giving his time on Thursday to enable the children in KS1 and KS2 to a day of football. A letter has been sent home with regard to this, should you be interested in your child having 1:1, 1:2 or small group sessions.

## Polytunnel

We are delighted to have the polytunnel up and ready to use! This will enable our children to grow fruit and vegetables throughout the year. Many thanks to our wonderful PTA for funding this and to Mr Podmore for installing it!

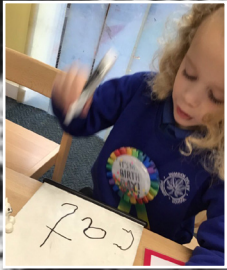

## ROSETTE WINNERS

- NUMBER SMART** Katie G
- ART SMART** Arham A
- NATURE SMART** Ellie T
- BODY SMART** Esme C
- MUSIC SMART** Isaac T
- GOLD ROSETTE** Jack-John L
