

THE WIMBOLDSLEY WEEKLY

15th December 2023

@WimboldsleyCPS

The penultimate week in school before Christmas break has finally come to a close and what a week it has been in school! Although I have not been around as much as usual this week, as I continue with preparations in advance of my maternity leave, I have been kept up to speed via our wonderful staff with all of the goings-on. I'm certainly hoping to make up for the lost time next week as we spend Monday - Thursday wrapping up another amazing year and 2023 here at Wimboldsley.

Christmas quiz

Festive questions for all the family, to be completed over the Christmas holidays.

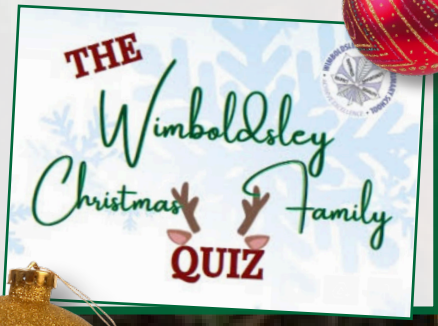

Our staff have been locked out of planning this time too so they are ready to compete... will you beat your teacher's score?

Quizzes can be purchased from School Spider at a cost of £5, with all proceeds going to the school fund.

Our winning family will not only win bragging rights and the respect of the school community, but a family prize too!

All purchased quiz sheets will be sent home week commencing 18th December and need to be returned to school by 3:30pm Friday 12th January.

Good Luck!

CHRISTMAS FAYRE

Once again, a huge thank you to everyone involved in contributing, taking part, supporting and visiting our school Christmas Fayre last Friday. Not only did everyone enjoy this festive event but we also managed to raise funds for the school which will be put to great use in the near future.

Thank you

We would like to say a huge thank you to Melody Corporation who went above and beyond, donating and constructing the fabulous stage and lighting system for this year's in-school performance. We really are extremely grateful. Check out their website to see what they can offer for any of your upcoming events. <https://www.melodycorporation.co.uk/>

EYFS and KS1 performances

The school became a magical world full of dancing camels and alphabet nativities this week, as both our EYFS and KS1 children performed their wonderful productions. They all spoke, acted and danced incredibly and wowed the audiences with festive fun. Thank you to everyone who came and watched - **we're sure you left feeling even more Christmassy!**

Carol concert

Thank you to all who were able to attend our annual Key Stage 2 Christmas Carol Concert this year at St Michael's Church. The concert is outside of school hours and we know that for many of you it is an additional journey at the end of your already long day, but it really does make all the difference having you and the pupils there, particularly at this time of year, to really create not only an exciting build-up to Christmas time but to play a part in creating special memories for everyone involved.

Local Academy Board parent governor

We were lucky to receive two applications for our school LAB parent governor position and a letter will be sent out to you separately on Monday detailing the ballot process and how you can vote.
