I am delighted to share with you the highlights of another wonderful week at our school. It has been an incredibly positive week filled with exciting learning experiences for our pupils. I am particularly proud of our Year 1 children, who were simply incredible in their assembly today. It was a joy to see their enthusiasm and confidence as they practised throughout the week and I'm sure you all enjoyed hearing about the exciting things they have been learning. Their creativity and hard work truly shone through!

## Welcome

We would like to welcome James Bancroft, who has been elected as the new parent member of the LAB.

## CATCH-UP!

December's Christmas fayre was a huge success and very well attended - a huge thank you to everyone who supported the event. A grand total of **£1268** was made for PTA funds. We were therefore delighted to be able to help fund the whole school Panto trip before Christmas. We also raised a fantastic **£366.10** from class fundraising through the Christmas cards and gifts.

Our latest meeting was held yesterday - thank you to everyone who came. Lots of events were discussed and these will be sent out to families as they arise.

## PARKING

A polite reminder to continue to be considerate of our local residents when parking your vehicles at drop-off and collection. We are aware that these are busy times of the day and that parking space is limited but it is important that local residents have access to their drives at all times, particularly those with dropped kerb vehicular access points, and that our school routines do not hinder or impact the day-to-day running of the people who live near to our school. Please can we also ask the you don't leave your engine idle whilst waiting. Thank you for your understanding and cooperation.
