1st March 2024

@WimboldsleyCPS

**W**elcome back after the half-term break. I hope that each of you had a rejuvenating time with your families. It was lovely to hear the stories from the children about their adventures during the holiday; daring pirate escapades and water park visits to name but a few!

Our dedicated staff members started off the new half term with enthusiasm, participating in a Concordia Trust-wide INSET day on Monday. The day was filled with engaging workshops and insightful speakers focused on creativity and wellbeing. The feedback from our staff has been overwhelmingly positive, and we're eager to implement the strategies and ideas gained from the INSET day throughout the upcoming months. Wishing you all a fantastic and productive half term ahead!

## INTERNATIONAL LANGUAGES DAY

The whole school became a rainbow of colours on Wednesday when we joined together to celebrate International Languages Day. We welcomed lots of parents who, along with staff members, shared their knowledge and experiences of their national countries and languages. A huge thank you to all relatives and staff that contributed to such a successful day.

## Tesco Tokens

A huge thank you to everyone that supported our recent participation in the Tesco token scheme. We know lots of you had many visits and posted as many as you could. We were up against 2 other very worthy causes and have been awarded a fabulous £500!

## THANK YOU

A huge thank you to Mr Thompson (Isaac, Seb and Gabe's dad!) for organising some fabulous new blinds for our hall. Don't they look amazing!
