

THE WIMBOLDSLEY WEEKLY

8th March 2024

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

I hope this message finds everyone well. This week has been full of activity! I am thrilled to report that our Year 2 children had a fantastic time during their residential visit to Burwardsley this week. It is wonderful to know that they enjoyed the outdoors, even if it meant getting a bit muddy! I'm sure the long soak in the bath and the early night on Wednesday were well-deserved after all the excitement. A huge thank you to the dedicated staff who accompanied them on this trip. On a different note, it was fantastic to see so many creative outfits on World Book Day. I appreciate the effort put in by all involved. Thank you for contributing to the positive spirit of our school community.

COMIC RELIEF RED NOSE DAY
FRIDAY 15 MARCH

Next Friday is **COMIC RELIEF RED NOSE DAY**. Come to school in your own clothes and pay £1.00 to this very worthy cause.

Parents Evening
Thursday
21st March.
Bookings will be available via School Spider from today.

Attendance

Thank you for supporting good attendance at Wimboldsley Primary School. Our whole school attendance is currently **96%**. Last half term, there were some nasty bugs/viruses in school. I'm sure that attendance will continue to improve over the coming weeks. *Please remember that the gates close at 8.55am each morning with registers taken and lessons starting soon after. This week a total of 2 hours and 57 minutes of learning were lost due to lateness.*

Burwardsley

Year 2 had a wonderful time this week on their residential in Burwardsley. They took part in lots of exciting activities and were all so grown up staying away from home. Well done Year 2!

We are all looking forward to an exciting **Science Week** in school next week. This years theme is 'time' and I wanted to let you know about how you can get involved.

Science Vocabulary Raffle It's back! Children will be awarded raffle tickets throughout the week for using ambitious and exciting science vocabulary. We have an infant and junior science hamper up for grabs.

Time for Science on X. We want to see your scientific posts. From baking to gardening, star gazing to dog walking ... science really is everywhere so don't be shy to get involved. Our favourite posts will be shared in a special science week assembly next week, there may even be a prize or two! Please use **#WimboldsleyTimeForScience** and tag @WimboldsleyCPS so that your post is not lost.

National Science Week Competition The competition is now open and I will send all entries that are submitted to me by Friday 15th March - will we have a Wimboldsley winner? More information and entry forms (which must be completed) are available here: <https://www.britishscienceweek.org/plan-your-activities/poster-competition/>

CROSS COUNTRY

Our Year 5 and 6 cross country team took part in an inter-schools competition on Thursday. Everyone showed great sportsmanship and put in 100% effort. Well done team.

Boreatton Park

Next week it is Year 4's turn to head of on their 2-night residential to Boreatton Park in Shropshire. They are all very excited and can't wait to get stuck-in to their exciting activities and sharing rooms with their friends. Look out for lots of updates on X.
