15th March 2024

@WimboldsleyCPS

This week, we were thrilled to welcome Mrs. Jones and her adorable baby Tabitha to school. No doubt, the children have already excitedly shared their visit with you. As we start Science Week, our assembly today set the stage for a week full of science-themed activities. We were delighted to welcome back our Year 4 pupils from their memorable trip to Boreatton Park. The photos they shared captured the joy and adventure of their experience perfectly. I'm sure you'll join me in thanking the dedicated staff who accompanied the pupils, ensuring the trip was a success.
