@WimboldsleyCPS

Time has flown by, and it's remarkable to think how much progress our pupils have made since the start of the term. With the end of term approaching, I'd like to remind you that school will close on Thursday, March 28th, for the spring break, and we'll be looking forward to welcoming everyone back on Monday, April 15th, rested and rejuvenated.

I was delighted to see so many of you at our parents' evening this past Thursday. Your presence and engagement enhance our school community; it was wonderful to have the opportunity to discuss your child's progress together.

This week, our Year 5 and 6 pupils participated in emergency first aid training here in school. This invaluable skillset will not only benefit them in various situations but also instill a sense of confidence and responsibility. Thank you to Mrs Chesters for organising this wonderful event.
