@WimboldsleyCPS

**W**elcome back to a new school term! I hope you've all had a wonderful break and are ready for an exciting summer term ahead. The final term of the school year is already looking full to the brim with a variety of activities, events and visits which we are sure will be wonderful opportunities to be a part of.

## Polling station

The school will be being used as a polling station on Thursday May 2nd. Due to the hall therefore being out of action, we will be offering sandwiches only for lunch on this day.

## Film Stars

There was a buzz of excitement this week when we welcomed a professional photographer and videographer into school to create promotional material for the academy. We can't wait to see the finished product!

## PARKING

Please note, parents are NOT permitted to park on the staff car park under any circumstances. The only exception is for disabled badge holders, in which case a valid badge MUST be displayed and the vehicle parked in the designated disabled bay.
