

THE WIMBOLDSLEY WEEKLY

26th April 2024

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

Since returning from our Easter break, our pupils have been working hard across all year groups. In particular, our Year 6 children are putting in tremendous effort as they prepare for their SATs. We're incredibly proud of their determination and dedication. They've been showing up every day, ready to learn and give their best. It's inspiring to see their commitment to their learning, and we're very proud of their efforts. Keep up the great work, everyone!

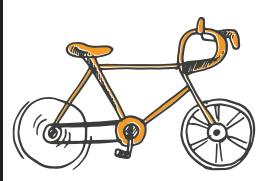

Wheelie Day

Yellow team enjoyed a 'wheelie' fun time on Thursday - their prize for winning last half-term's team point competition. The race is already very close so see who wins this half term's prize of an ice cream station!

Bikeability

Keeping up the wheelie theme - over the next couple of weeks some of our Year 5 and 6 children are taking part in 'Bikeability'. This cycle training equips them with vital life

skills. Pupils not only learn to cycle, they gain independence, social skills and a sense of wellbeing.

SATs WEEK

SATs week begins on Monday 13th May and our Year 6 children are working incredibly hard towards this - well done Year 6.

There was lots of wonderful extra-curricular learning happening in school this week - piano lessons from Music Squad, Vara after-school clubs (places still available) and harvesting our crops with Wild and Wilderness to name just a few.
