**T**here's been lots happening across our wonderful school this week, and much of our learning is shared online for you to enjoy. If you haven't already, please follow our school Twitter page and class pages, where staff provide updates on the daily activities at Wimboldsley. I am especially proud of our Year 4 pupils, who have shown exceptional dedication during this week's multiplication check.

The last few weeks of the academic year are always busy and this year is no exception. Our children and staff are persevering fantastically, focusing on key knowledge across the curriculum while also planning and preparing for our upcoming summer events. The weeks ahead will be fast-paced, but I am confident they will be enjoyable and memorable for everyone involved.
