@WimboldsleyCPS

Another fabulous week here in school - it's hard to believe there's only two more weeks before the first Autumn half term. A big well done as always to all our pupils for keeping up the passion and determination with their learning over these last few weeks. The first half term back after summer break can often feel like a challenge but here at Wimboldsley, it's like we had never been away! We are already looking forward to Autumn 2 and all of the exciting learning opportunities it will bring including the build up to the festive time of year, which many of us enjoy.

AUTUMN DISCO

Learning should be engaging. All students should have a broad curriculum that includes the arts and enrichment.

Although the Autumn weather is turning colder, work is still ongoing in our outdoor area and poly tunnel. Each week, a group of children take part in an enrichment session outdoors, as we know how incredibly valuable this kind of learning is.
