WIMBOLDSLEY

WEEKLY

18th October 2024

@WimboldsleyCPS

We have successfully made it to the end of the penultimate week here in school before the first Autumn half term, and what a busy week we've had! The wet and windy weather is starting to arrive and the staff and pupils are trying extremely hard to adapt outdoor playtimes and learning sessions to ensure that the mud (as fun as it can be sometimes) does not cause too many problems for classrooms and families. We will continue to be mindful of this when the children are spending time outside

Accelerated Reader

Accelerated Reader is a reading program that helps teachers support and monitor children's reading practice. Your child picks a book at their own level and reads it at their own pace. When finished, your child takes a short online quiz to measure how much of the book they understood. We introduce this program in Year 2 and will continue to the end of Year 6. As part of this program we also use MyOn, this is a bank of Online books linked to the Accelerated Reader program. Children can read the books online and then quiz. We give regular rewards when children reach their targets and award a 'Star Reader' each week in assembly.
