

THE

WIMBOLDSLEY WEEKLY

22nd November 2024

Another week down and another week ahead to look forward to! The school was bathed in a blanket of snow this week so it is really starting to feel wintry here now. The vast majority of pupils have come to school prepared for this weather though and look like they are wrapped up nice and warm. Gloves, scarves and hats are all welcomed to help keep nice and toasty when outside but we do encourage these to be labelled or have names written inside just in case they decide to go for a wander at any point during the day.

SUPER SCIENCE

Year 6 had a science lesson with a difference this week when they got to dissect cow and lamb hearts. The hands-on lesson involved examining the valves, chambers and looking just how the heart works and is made up.

Very high-school ready Year 6!

Year 4 presented a wonderful learning assembly today, telling their families just how much learning that have done this term. They all spoke so confidently - well done!

A huge thank you to the PTA for purchasing 4 new microphones for events like this. It makes such a difference to be able to hear the children's voices so clearly.

NON-UNIFORM DAY FOR A RAFFLE PRIZE

Wednesday 27th November

Next Wednesday will be a non-uniform day in exchange for a donation toward our Christmas Fair's fabulous raffle (This is instead of a movie night which has been cancelled due to copyright issues). For prizes, anything goes along the colour theme of Christmas (red, green, white, gold etc) and these will be used to make up some amazing hampers. Anyone who brings in a donation will receive a ticket for a delicious hot drink and biscuit in the afternoon.

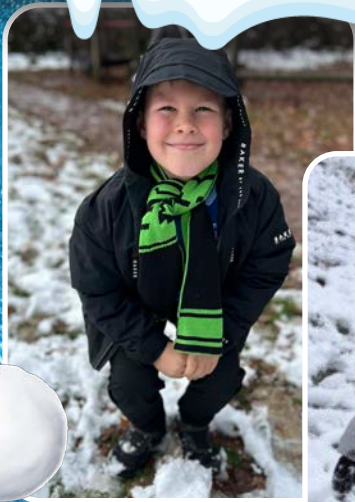

SCHOLASTIC BOOK FAIR

The Scholastic Book Fair has been open for two days and it has been lovely to see so many of you visit. For every book purchased we, as a school, get funds to spend on books for our classrooms. **WE ARE OPEN AGAIN ON MONDAY 25TH AND TUESDAY 26TH OF NOVEMBER.**
