@WimboldsleyCPS

**W**ell, it has certainly been a busy five days for everyone here at Wimboldsley this week and our pupils have had the opportunity to really show off some of the wonderful skills and talents that they have developed over time. Reception children have shared writing with me that has made me question if they are actually junior pupils in disguise... Infants have wowed many of us with their fluency and confidence in reading appropriate texts and juniors have blown us away with their art skills, resilience and pride in their work. Here's to another spectacular week!

## SPOTLIGHT ON ENRICHMENT

Here at Wimboldsley we are passionate about offering a variety of enrichment opportunities to provide the children with the chance to experience and learn a new skill. We have a great selection of after-school clubs available including Drama, Dance, Board Games and Vera Sports and in-school lessons in both piano and drumming. These opportunities can be a chance for a child to discover new skills including socialising with children from other year groups.

For more information regarding any enrichment opportunities please email school, or for piano lesson details please scan the QR code.

"I really enjoy piano. When I'm stressed I find it calms me down and relaxes me".  
Safi Year 5

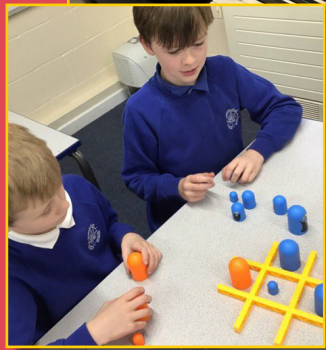

### Friday 7th February

Way are inviting children to pay £1.00, which will be donated to the NSPCC, to come into school wearing number-themed clothes and spend the day completing all sorts of maths-related activities.

Any parents or carers are welcome to drop-in from 2:45pm, when they can complete various number tasks with their children.

"I love drumming lessons. I've wanted to learn since I was 4 and now I have the opportunity and have succeeded in my dream".  
Tristan Year 5

"I love both dance and drama. It makes me happy and excited and Miss Sophie, our teacher, makes me feel positive"  
Jack-John Year 3

On 21st January, Cheshire Fire and Rescue service will be visiting school to deliver the KS2 Escape to safety package to members of Year 5.
