

# THE WIMBOLDSLEY WEEKLY

24th January 2025

[www.wimboldsleyprimaryschool.co.uk](http://www.wimboldsleyprimaryschool.co.uk)

@WimboldsleyCPS

**A**nother week has flown by here in school and the pupils have continued to demonstrate their resilience and determination in all that they do across all subject areas. We have more upcoming residential and visits that we strongly believe enhance learning experiences and provide opportunities for the children to make wonderful memories with their peers. We will continue to keep you updated with any visits planned. I hope you all have a lovely weekend and look forward to seeing you all again on Monday

## FOCUS ON - YEAR 2

We have had a busy time in Year 2 since our return in January and hope that our families enjoyed our assembly today. Our maths focus has been on 2/D and 3/D shapes where we have concentrated our learning of the different properties including faces, edges and vertices. We have begun our new 'Pathways' text, one of Mrs Hazeldine's all time favourites - The Dragon Machine. We can't wait to discover what happens. In other areas of the curriculum our Geography learning is taking us on a world wide adventure and our History learning is focussing on Florence Nightingale and her impact on Nursing. There is lots more to learn as the term unfolds and we are really looking forward to our residential to Delamere in January.

## Friday 7th February

We are inviting children to pay £1.00, which will be donated to the NSPCC, to come into school wearing number-themed clothes and spend the day completing all sorts of maths-related activities.

*Any parents or carers are welcome to drop-in from 2:45pm, when they can complete various number tasks with their children.*

## CHESTER ZOO Thursday 13th February

We are very excited to be able to take the whole school to enjoy a day at Chester zoo and enhance our learning across the curriculum through this enrichment opportunity. You should have received a letter with all the details of the day and it promises to be a wonderful trip.

## FIRE SAFETY

On Tuesday, Year 5 and 6 had a fascinating talk about fire safety with Cheshire Fire and Rescue. They discussed the dangers of fire and how we can keep safe.
